Making his Broadway debut, **Steve Carell** heads a cast of stage, television and movie veterans in a new translation of Anton Chekhov's **UNCLE VANYA**.

The story concerns Sonya (**Alison Pill**) and her Uncle Vanya (**Steve Carell**), who have devoted their lives to managing the family farm in isolation. Their lives are disrupted when her wealthy, renowned, ailing father (**Alfred Molina**) and his beautiful new young wife (**Anika Noni Rose**) move in. In the heat of the summer, the wrong people fall in love, desires and resentments erupt, and the family is forced to reckon with the ghosts of their un-lived lives.

Director Lila Neugebauer and playwright Heidi Schreck collaborate on the premiere of this Lincoln Center Theater production, which pairs Chekhov's enduring masterpiece with one of America's most celebrated contemporary playwrights in a strikingly immediate new translation.
